

1/8 Ferrari Testarossa (Pocher) Air Inlet Manifold & Injectors Upgrade Kit

Thank you for purchasing the air inlet manifold upgrade kit for the 1/8 Pocher Ferrari Testarossa.

Please note the following:

- Some parts will need final finishing / filing / sanding to removing printing 'nubs'.
- After preparing the parts they can be washed in warm soapy water and allowed to dry.
- Use of super-glue is preferred for attaching resin parts.
- Test fit into the model before final fixturing.

If you have any questions please feel free to contact us:
