## 1/8 POCHER PORSCHE 993 DECAL SET

Thank you for purchasing this decal set made for the Pocher Porsche 993. We recommend identifying the protoype vers you wish to replicate to ensure correct placement of some of the decals. In particular, refer to engine bay photographs fo an indication where certain decals are to be placed. for removal of various decals, there are dotted guide marks at each corner, using a straight edge and scalpel blade to remove these decals will give best results.

corner, using a straight edge and scalpel blade to remove these decals will give best results.			
HPÑÖ	Description	Replaces	Notes / Position
		Original Kit	
		Decal No.	
[ Ă'n ś Śś ľ Ă lás Č			
ĈÄĈĚ	Gauge Cluster - Day & Night	AD.CR.01	Diameter for punch is 8mm
	Gauge Cluster - Day & Night	AD.CR.02	Diameter for punch is 10mm
	Gauge Cluster - Day & Night	AD.CR.03	Diameter for punch is 12mm
	Gauge Cluster - Day & Night	AD.CR.04	Diameter for punch is 10mm
2 & 12 E	Gauge Cluster - Day & Night	AD.CR.05	Diameter for punch is 8mm
